From the Prez...

Here it is May already and things are starting to heat up. Aside from the temperature rising things are beginning to cook on the dance front. With the coming of summer comes the rotation of regional dance events that most of us wait for each year. Most of these events take place within a few travel hours of us and this year we get to stay home for one, ours! May will begin the push for getting the Summer Swing 2001 committees set up and running in putting the plans into motion for our return performance as swing dance Host. At the May Board meeting several volunteers will be attending to sign up for committee work. Others without preference of a particular assignment will be on call for whatever help is needed. The tasks ahead are not hard to accomplish if we work together with the goal of making the event a success. It's our turn to have some friends over for a visit and show them a good time, Society style. It's not too late to lend a hand with the assignments. The more help we have the less it seems like work. Sign-up sheets are available at the monthly dances. I know, you thought they were coasters! Take part and be part of it!! JB

New Summer Dance Schedule

Beginning in May the South Florida Swing Dance Society dances will move from Friday nights to Saturday nights. The location is the same, the Italian/American Civic league of Broward, 700 South Dixie Hwy. in Hollywood, Fl. , just seven blocks South of Hollywood Blvd. on the right side of Dixie Hwy. The phone number is 954-920-4013. Music from 8-12pm, free snacks, 50/50 drawing, beverage sales, BYOB.

*The dates for the upcoming dances are as follows;
June 9th, July 14th, August 11th, September 15th and October 20th.
November starts the winter season with the return of the snowbirds so watch for a new schedule for November and December. Yall come!*

The Funny Side...

After work one Friday a man decided to go have a drink with some buddies. One drink led to another and before he knew it it was daylight. The man knew his wife was going to give him hell when he got home. Well... said a co-worker, if you're going to catch hell you might as well hang with the rest of us and make another night of it. So they hung out for the day and hit the bars again that night. The following afternoon, after a poor attempt to sober up, the man headed home. Upon arriving his wife met him at the door. "What's the excuse this time"?, she asked. The man still fuzzy headed could only reply with... "I needed a day or two to myself". The wife asked... "How would you like it if you didn't see me for a couple of days"? "I won't know until it happens", he replied. So Monday passed and he didn't see her. Tuesday passed and he didn't see her and it wasn't until Wednesday that he began to see a little of her out of his left eye.

An elderly couple in their mid eighties lived a healthy life due mainly to the wife's insistence of eating only healthy foods. Suddenly one day they were killed in an auto accident. When the couple reached the Pearly Gates they met St. Peter at the entrance. St. Peter welcomed them to Heaven and explained how wonderful their afterlife would be and provided them with a tour of their new environment. "Here" ... said St. Peter, "is your new home overlooking the golf course". "How much is it", ask the man. "It's free", said St. Peter, "and here's your new car. It never needs gas or repairs. "How much is that", the man asked. "Also free", said St. Peter. Then St. Peter handed the man a lifetime membership to the golf and country club. "How much does this cost", the man asked. "Everything here is free, there's no need for money", replied St. Peter. "You and your bran muffins!", exclaimed the man to his wife. "I could have been here ten years ago!" Know a funny one? Share it here. JB

Here and There by Jimmy Gee

Time really slipped by since the last column... the dance at Avon Park was a real treat... Miami dancers – well represented. About 25 of us. The water gun war is something exciting... everybody at pool side couldn't help but get wet. The next one is July 27th. We expect a large Tampa crowd at our big dance in July... John Butler and Co. are working really hard to put this thing together. The dance at the Italian/American Club is a little slow... come on out you members, it's an ideal place. Brenda, Jackie, Dominic & Saul are trying hard to keep the club growing... I don't know some of the new members. Come up to me and I'll give you a little line or two. Arty's birthday was quite a surprise to him with thanks to Brenda... the stripper was great, huh Arty? Lee Setnor's mom and dad are always at our dances— just like their daughter. Concentrate on Regular Joe, the new Sunday afternoon thing. By the way whoever put my surprise party on... it was one day in my life I'll never forget. Believe me, I want to thank everyone involved from the bottom of my heart— one of the greatest days of my life, honest! Thank you Sam, Brenda, Jackie, Jane & Marti and the ones I missed. Thanks to everyone! Jimmy
